Moffett **Turf**

The MOFFETT Truck-mounted Forklift will position supplies exactly where your customer requires, giving your business a big competitive edge.

The All-wheel drive ensures you will not get stuck in the mud and gives excellent traction as well as stability. Using a Moffett also saves the wear and tear on your truck by keeping it off-site.

Turf

For More than 40 years, Moffett has been manufacturing Truck-mounted Forklifts, a load handling solution that has helped transform the way materials are distributed across the globe.

MOFFETT Truck-mounted Forklifts are renowned for their excellent performance on difficult terrain, confined spaces, steep gradients or debris covered areas.

On site, your MOFFETT Truck-mounted Forklift is ready to get to work in less than a minute and can be carried on the back of almost any truck or trailer with no loss of load space.

Having a MOFFETT Truck-mounted Forklift means you can have faster, safer and more cost effective deliveries.

The high lift capacity, robust design and a wide range of attachments such as clamps, different fork options and positioners, the MOFFETT Truck-mounted Forklift easily handles turf on site or in the yard.

- No loss of load space
- No waiting for a customer's or supplier's forklift
- Flexibility and control of delivery schedules
- Higher productivity
- Creates time to make more deliveries
- Delivery where needed, precise load positioning
- Reduce product damage
- Safe and easy to use
- A proven competitive advantage
