# READY TO WORK WHERE YOU NEED THE JOB DONE

From Canadian cold to Equatorial heat, Terex crawler cranes meet the challenge of rugged jobsite conditions.

- ▶ Reliable heat and air conditioning for operator comfort in nearly all climate conditions
- ▶ Rated to work in environments from -20°F to 120°F
- ▶ Additional cold weather packages available

# HOIST UP REVENUE

Your investment in Terex crawler cranes pays off in many ways. First, of course, is the crane's ability to do the job efficiently and effectively. But the value of Terex crawler cranes doesn't stop there.

- ▶ Quick setup lets you get to work – and get more work done – quickly
- ▶ Self-erecting features reduce assembly time and the need for an assist crane
- ▶ Easy maintenance access and built-in safety features increase uptime
- ▶ Quality components and manufacturing help provide reliable service
- ▶ Ergonomic cabs provide the comfort required for long hours on the job

# TEREX CRANES DELIVER FOR YOU

## The control you need

While Terex crawler cranes handle complex jobs, the control system keeps the work simple. The comfortable cabin is ergonomically designed, from the adjustable seats to having all controls within easy reach. The control elements can be configured for the preferences of the operator.

## The right crane for the job

The versatility of Terex crawler cranes starts with the wide range of models available. From there, the modular design gives you the flexibility to adapt the crane for your project's specific needs.

- ▶ Many possible configurations
- ▶ Modules save money by not requiring the purchase of additional boom systems

# LONG-TERM ROI

Just as Terex crawler cranes deliver immediate returns through transportation savings and quick setup, they also deliver an outstanding return on your investment over the long haul. The rugged construction, corrosion-resistant coating and easy-access maintenance reduce downtime and keep your crane in service, and the safety features help ensure that time on the job remains time on the job. For business value, depend on Terex crawler cranes.
